greations as to "the coal mines some of our telling reliable stories. triends have in Central America."

RETALIATION.

That some method of retaliation for the out ages committed upon our people by the Yankees should be inaugurated, every one admits; but what method to adopt is the all absorbing quastion. It is very evident that the Federal revernment, at the end of the war, will be in no condition to reimburse pecuniarily those of our citizens who have been made the victims of the THE CAPITAL IN OUR POSSESSION spoluations, and thieving raids of the Yaukee army. It is equally evident that some restitu-

We are gratified to perceive that this subject is beginning to orgage the attention of Congress, which we doubt not will act upon it before adsurnment. In the House Mr. Heiskell, of Tenn., a few days since, submitted "a resoluadalt male population of citizens be seized, withinisting in such seitures against men prominent anti-christian government at Washington. Objection being made, the resolution was withdrawn for the present."

This strikes us as in every way teasonable would seem that Gen. KIRBY SMITH has made and practicable, as a means well calculated to a ten strike by his entrance into Kentucky. The effect the desired purpose. The abolitionists gallant Kentuckians are rushing to his standard could interpose no objection on the score of inein noble style, and we may reasonably hope that quality, as they have always professed to regard

Again, if the North assume and exercise the There will be a glerious emulation between proces of rebbing us of our tabusing population and to rob us of it during the progress of the war, is to weaken our cause and strike us a most serious, if not fatal, blow. It must be protected gers, we think old Uncle Abe has his hands about at every hazard, and retaliation of the kind indifull. How he is to get out of his troubles no asted, in our judgment, will prove the most efone knows, and in this section of county, no fective means of scenning this protection. Some boly cares. He brought them upon himself such measure is absolutely necessary, in order against the expostulations and entreaties of the to cure the thicking Yankees of their bad pro-Southern people, and he must now make the pensities, and to bring the Northern people to their senses. Then, we say, let us have an abolitten Yankee for every negro that has been or

LATER NEWS FROM KEYTUCKY. QUITE A BRISK SKIRMISH.

THE HAID ON SHEPARDSVILLE. THE MORGANNFIELD FIGHT Guerrillas at the Mouth of Salt Biver.

SHEPARISVILLE, September 7.-About five hundred rebel cavalry burned one section of Salt river bridge this morning, damaging but slightly the new from portion recently erected. General Dumont had his forces under arms all day at Lebanon Junction expecting an attack by the tabel forces. All is quiet south of Lebanen Junction, along the line of the Louisville and Nashville railresd. Of this affair the Louisville Journal of the 9th

Various rumors were set affout in the city yesterday as to the rebel raid upon Shepardsville. the destruction of the bridge over Skit river at that point, and the capture of a provision train from this city. Dr. Wheeler, the mail agent, who left Franklin yesterday morning, arrived u the city at twelve o'clock last night, and ought the latest information from the line of he Louisville and Nashville milroad. We learn com him that about three bundred rebels, under emmand of Captain Harris, appeared at Shepardsville about daylight yesterday morning, and paroled about eighty-five members of the fiftyicerth Indiana regiment, Colonel Rose, who

The rebots then destroyed the bridge over Salt river, a structure of great value to the railroad company. Learning that a strong force had left this city by rall yesterday morning for rew his command, and departed for Lexington by way of Bardstown. The paroled prisoners, whose term of service had expired several days balore, walked to this city yesterlay. The report that a train from this city had been captured

by the rebels and destroyed was entrue. Dr. Wheeler brought a mail through from Franklin, wading the river at Shepardsville suit ambacking on the train for this city which had taken the sixteenth Kentucky at Shepardsville. We learn from passengers by the same train that Gen. Dument had evacuated Labanon, and that he was at Lohanon Junction fast, evening with his entire command. Gan. Dumont had sent a strong cavalry force to intercept Capt. Harris' rebol cavalry, but we presume the enemy made their escape in the direction of Lexington. We learn from Dr. Wheeler that Generals Negley and Starsweather were at Bowling Green vesterday with 8000 men, and that Gene ral Buel had arrived at Nashville with his entire.
